Dear Ruth:

On behalf of the Commissioners and ACCSC staff, I write to thank you for your participation in the fifth annual ACCSC Professional Development Conference. The Commission and I truly appreciate your assistance in making our event a success. Conference attendance exceeded our expectations with over 250 representatives from across the higher education community. Your contributions helped to provide opportunities for a diverse, enlightening, and challenging exchange of ideas as well as concrete "take-aways" for participants to employ at their own campuses. The feedback we have received from the attendees thus far has been extremely positive and we know that your efforts were a key factor in bringing about that success.

Thank you for your support of ACCSC. We look forward to future collaborations.

Sincerely,

Michale S. McComis, Ed.D.  
Executive Director
